

# UPINFOOD

## TRAINING FOR UPSKILL KEY INNOVATION RELATED COMPETENCES IN VET FOR THE MICRO AND SMALL BUSINESSES OF THE FOOD SECTOR

Co-funded by  
the European Union

**UPINFOOD is a European project, funded by Erasmus Plus Programme, aiming at boosting the transition of the Food supply chain toward more innovative and sustainable models, through quality VOCATIONAL EDUCATION AND TRAINING (VET), meeting market needs.**

**UPINFOOD is intending to increase the flexibility of opportunities in VET, so as to develop innovative and sustainable strategies, with the final aim of fighting against climate change.**

### OUR GOALS

- Tailoring VET to labour market needs, in order to foster sustainable strategies within food companies.
- Increasing the flexibility of opportunities with VET: the method proposed intends to promote practical and peer learning.
- In line with the EU Green Deal, UPINFOOD will focus on sustainable approaches, so as to play its role in the fight against climate change.
